**NOTES TO THE FINANCIAL STATEMENTS**  
**For the year ended 31 December 2007**

**1. Significant accounting policies**

Australian Major Performing Arts Group (the “Group”) is a Group domiciled in Australia. The Group was incorporated in New South Wales on 22 February 1999 as a public company limited by guarantee.

The principal activity of the Group is to promote the well being of and encourage support for the major performing arts in Australia through advocacy and representation to Federal and State Governments on behalf of its members.

The financial report was authorised for issue by the directors 19 February 2008.

**(a) Statement of compliance**

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards (“AASBs”) (including Australian Interpretations), adopted by the Australian Accounting Standards Board (“AASB”) and the Corporations Act 2001. The financial report of the Group comply with the International Financial Reporting Standards adopted by the International Accounting Standards Board.

**(b) Basis of preparation**

The financial report is presented in Australian dollars and is prepared on the historical cost basis.

The preparation of a financial report requires management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future period affected.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amount recognised in the financial statement are described in note 1 (m) - Employee entitlements. The accounting policies set out below have been consistently applied by the Group to all periods presented in these financial statements.

New standards and interpretations not yet adopted

The following standards, amendments to standards and interpretations have been identified as those which may impact the entity in the period of initial application. They are available for early adoption at 31 December 2007 but have not been applied in preparing this financial report;

- AASB 8 Operating Segments replaces the presentation requirements of segment reporting in AASB114 Segment Reporting. AASB 8 is applicable for annual reporting periods beginning on or after 1 January 2009. Once implemented the group will no longer be required to disclose segment reporting as the standard only applies to listed entities.

**AUSTRALIAN MAJOR PERFORMING ARTS GROUP**  
**ACN 086 388 123**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**For the year ended 31 December 2007**

**Significant accounting policies (continued)**

**(b) Basis of preparation (continued)**

- Revised AASB 101 Presentation of Financial Statements introduces as a financial statement (formerly 'primary' statement) the 'statement of comprehensive income'. The revised standard does not change the recognition, measurement or disclosure of transactions and events that are required by other AASBs. The revised AASB 101 will become mandatory for the Group's 31 December 2009 financial statements and is not expected to have an impact on the financial results of the Group.
- AASB 2007-4 Amendments to Australian Accounting Standards arising from ED151 and other Amendments reinstates optional treatments in IFRS that are not allowable currently under AIRFS and removes various Australian specific disclosures. This standard is applicable to annual reporting periods beginning on or after 1 July 2007 and is not expected to have an impact on the financial results of the Group.

**(c) Going Concern**

These financial statements have been prepared on a going concern basis, which assumes continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

**(d) Property, plant and equipment**

Items of property, plant and equipment are stated at cost less accumulated depreciation. Depreciation is charged to the income statement on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment. The estimated useful lives in the current and comparative periods are as follows:

	<b>2007</b>	<b>2006</b>
Plant and equipment	3 years	3 years

The residual value, if not insignificant, is reassessed annually.

**(e) Trade and other receivables**

Trade and other receivables are stated at their cost less impairment losses.

**(f) Cash and cash equivalents**

Cash and cash equivalents comprises cash balances and call deposits.

**AUSTRALIAN MAJOR PERFORMING ARTS GROUP**  
**ACN 086 388 123**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**For the year ended 31 December 2007**

**(g) Impairment**

The carrying amounts of the Group's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated.

An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in the income statement, unless an asset has previously been revalued, in which case the impairment loss is recognised as a reversal to the extent of that previous revaluation with any excess recognised through profit or loss.

**(h) Trade and other payables**

Trade and other payables are stated at amortised cost.

**(i) Revenue**

Subscription fees are recognised as revenue when the Group gains control of the fee or the right to receive the fee.

Revenue is deferred when customers have been invoiced for products or services for which the revenue recognition criteria are not satisfied.

Interest revenue is recognised as it accrues, taking into account the effective yield on the financial asset.

**(j) Grants**

Government grants are recognised initially as deferred income when there is reasonable assurance that they will be received and that the Group will comply with the conditions associated with the grant. Grants that compensate the Group for expenses incurred are recognised in profit or loss on a systematic basis in the same periods in which the expenses are recognised. Grants that compensate the Group for the cost of an asset are recognised in profit or loss as other income on a systematic basis over the useful life of the asset.

**(k) Income tax**

No income tax is provided for as the Group has been endorsed by the Australian Tax Office as an income tax-exempt non-profit organisation established for the encouragement of art.

**AUSTRALIAN MAJOR PERFORMING ARTS GROUP**  
**ACN 086 388 123**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**For the year ended 31 December 2007**

**Significant accounting policies (continued)**

**(l) Goods and services tax**

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are classified as operating cash flows.

**(m) Employee entitlements**

**(i) Wages, salaries, and annual leave**

Liabilities for employee entitlements to wages, salaries and annual leave represent present obligations resulting from employees' services provided up to the reporting date, calculated at undisclosed amounts based on rates that the Group expects to pay when liabilities are settled, including related on-costs.

**(ii) Other long term benefits**

The Group's net obligation in respect of long-term employee benefits other than defined benefit plans is the amount of future benefits that employees have earned in return for their service in the current and prior periods plus related on-costs; that benefit is discounted to determine its present value and the fair value of any related asset is deducted. The discount rate is the yield at the reporting date on government bonds that have maturity dates approximating the terms of the Group's obligations.

**(iii) Superannuation**

The Group contributes to a defined contribution employee superannuation plan. Contributions are charged against income as they are made.

**(n) Financial risk management**

The Group has exposure to credit risk and liquidity risk from its use of financial instruments.

**AUSTRALIAN MAJOR PERFORMING ARTS GROUP**  
**ACN 086 388 123**

**NOTES TO THE FINANCIAL STATEMENTS**

**For the year ended 31 December 2007**

**Significant accounting policies (continued)**

**(n) Financial risk management (continued)**

**Credit risk**

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations and arises principally from the Group's receivables from customers. The Group's customers are its 28 members and credit risk is perceived to be low.

**Liquidity risk**

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they fall due. The Group's approach to managing liquidity is to ensure as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

**(o) Accounting estimates and judgements**

Management has been involved in the development, selection and disclosure of the Group's critical accounting policies and estimates and the application of these policies and estimates.

**2. Segment reporting**

The Group operates solely within Australia, in the performing arts industry.

# Independent auditor's report to the members of Australian Major Performing Arts Group

## Report on the financial report

We have audited the accompanying financial report of Australian Major Performing Arts Group (the Group), which comprises the balance sheet as at 31 December 2007, and the income statement, statement of recognised income and expense and cash flow statement for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the directors' declaration set out on pages 5 to 17 of the Group.

### *Directors' responsibility for the financial report*

The directors of the Group are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

### *Auditor's responsibility*

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with the *Corporations Act 2001* and Australian Accounting Standards (including the Australian Accounting Interpretations), a view which is consistent with our understanding of the Group's financial position and of its performance.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Auditor's opinion**

In our opinion:

(a) the financial report of Australian Major Performing Arts Group is in accordance with the Corporations Act 2001, including:

- (i) giving a true and fair view of the Group's financial position as at 31 December 2007 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001.

(b) the financial report of the Group also complies with International Financial Reporting Standards as disclosed in note (a).
